CROWNLINE SKIRTED FLATBEDS: WHERE STYLE MEETS UTILITY FOR THE LONG HAUL

When it comes to truck beds that seamlessly blend style and functionality, Crownline's Skirted Flatbed (SK) stands out as a testament to quality craftsmanship and durability. Designed for the long haul, our SK skirted flatbeds are built to last, and they offer truck owners a perfect balance between great looks and work truck utility.

- **Rub Rails:** These tough rails keep your flatbed safe from damage. There to keep your bed looking good for years of service.
- **Built in ToolBoxes:** Staying organized is important, and that's why we've included built in toolboxes. Keep your gear, tools and cargo organized.
- **Step on the Bumper:** Getting to your truck bed is easy with the step on the bumper. It's a small thing, but it makes a big difference.
- **Fenders:** Options of black or stainless steel along with standard or wider options.

THINGS WEAR OUT, YOU CAN COUNT ON OUR SKIRTED FLATBEDS TO STAY STRONG FOR THE LONG HAUL

EFFICIENT FEEDING EQUAL SAVINGS TO THE BOTTOM LINE

Our durable truck bed mounted cattle cube / cake feeders are built with strength and longevity in mind. These truck mounted cube feeders are specifically designed to simplify your daily feeding chores and allow for convenient delivery of feed.

With our over-the-cab sliding door feature, filling from an overhead bulk bin becomes a breeze.

The Crowline cube feeders are available in 3 sizes from 22" up to 42" with the option of a manual chute or automatic chute. You never have to leave the comfort of your truck if you don't want to.

- Sliding door that extends over the cab
- Equipped with enclosed 1800 RPM Motor
- Direct Drive Transmission
- Digital Counter (4LBS per Count)
- 6" Auger
- 6-1/2" viewing tunnel
- Adjustable auger cover height for different feed rates
- 10 Gauge steel construction
- Maximized space for feed
- Bright LED flush mounted light option
- Dry feed, easy loading

PRECISION FEEDING IS HERE

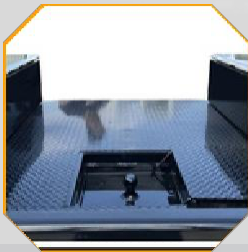

TOOL BOXES

MODULAR FLATBED TOOLBOX SYSTEM

Maintain your work truck's capability while enhancing storage and organization.

Incorporate utility bed functionality and storage space into your flatbed without losing the ability to tow a gooseneck trailer.

The Crownline Modular Toolbox system offers the perfect blend of practicality and convenience. Transport 4' wide materials, and keep your tools readily accessible—all with ease.

Modular and Customizable

The design accommodates gooseneck trailers, ensuring you can still tow your trailer while maximizing storage space.

Universal Compatibility

Designed to be installed on any flatbed truck brand, enhancing functionality without the need for extensive modifications

Optional Pull-Out Drawers

Customize your storage further with optional pull-out drawers, offering additional organization and easy access for smaller items.
